

Career Opportunities

Position Available

General Propeller Company, located in SW Florida, is seeking an experienced inside sales/customer service representative.

General Propeller is a manufacturer/distributor of marine drive shafts, propellers and other drive-line components. Products are sold primarily to OEM and wholesale customers with some retail exposure. View our website at www.generalpropeller.com

The ideal candidate will have specific technical knowledge regarding Propeller sizing and selection for both outboard and inboard boat applications with previous sales/customer service experience. As a minimum, candidates should have some marine related experience in areas such as marina parts department, service writer, marine mechanic, etc.

General Propeller offers a full benefits package including health, dental, 401k, eight paid holidays and two weeks vacation in the first year. Typical hours are Monday thru Friday 8:00 am to 5:00 pm. Send replies, including salary requirements to dalea@gpcprop.com
